

Maryland Soccer Foundation Carding Policy

Effective March 7, 2017

Printing a card for a new player:

1. Team Manager and/or Captain MUST submit a roster to Louie Jaramillo, Adult League Manager, at ljaramillo@mdsoccerplex.org ASAP
2. Each player must complete and sign a waiver legibly
3. Provide a government issued ID (driver's license, passport or birth certificate)
4. Provide a \$5 payment – Cash, Check or Credit
5. A card will be created at the Maryland SoccerPlex front desk

A new player card is only needed once a year and is good for the two indoor sessions (1&2) and all outdoor sessions (outdoor session 1-4). New cards are issued in November (before session 1 indoor). If you join mid-year you must still get a new card.

As you can see from the instructions above a KEY element in this process is submitting a roster. PLEASE PLEASE, PLEASE submit your roster to Louie at ljaramillo@mdsoccerplex.org ASAP!

Also, PLEASE encourage your players to fill out their waiver BEFORE they come to pick up their ID. In this way all they'd have to do is drop off their old ID and waiver and go on their way, a 2 minute process! As always ALL players MUST fill out a waiver form in order to play.
