Dear SoccerPlex Community,

As we prepare for the upcoming spring soccer season as well as the conversion of the Adventist HealthCare Fieldhouse to courts for the spring season, we would like to assure you we are monitoring the developments around the coronavirus (COVID-19) and the potential impact on our events and operations.

Please be assured that we are taking precautions as outlined by the CDC, as well as following recommendations by the Maryland Department of Health and the Montgomery County Department of Health and Human Services.

At this time, we have not cancelled any programs, events, or league dates. We do recommend that all individuals visiting our campus follow the recommendations of the CDC. This includes:

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing. If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.

We are also recommending teams do not engage in post-game handshakes during this period. As an alternative we recommend elbow bumps or simply clapping for your opponents and teammates.

We want to ensure our guests enjoy our programming and the facility this spring. If you have specific questions about our preparedness and response, please contact Matt Libber at mlibber@mdsoccerplex.org.

Respectfully,

Matthew Libber
Executive Director
Maryland SoccerPlex
